Subject:-

Re the acquisition of one acre of land out of S.No.49 of Medehalli village required for the Veterinary Hospital at Chitaldrug.

Sir,

Adverting to your No.Roc 1612-C.V. 181/22-23 dated 8th June 1929 recommending the acquisition of a portion of land out of the above S.No. I have the honor to forward herewith the file of correspondence ending with Chitaldrug Sub Division Officer's memo No R-2.C.237/29-30 dated 16th July 1930 and to state that after the publication of the preliminary notification dated 21st November 1929 the khatedar Mr. Abdul Nabi Sab, Santhepet, Chitaldrug put in an objection petition to Government on 28th January 1930 stating that the land proposed to be acquired was undervalued &c., and this was referred to the Sub Division Officer for report.

The Sub Division Officer, Chitaldrug after recording the statements of the khatedar and his two witnesses and examining a copy of the registered sale deed filed by the petitioner relating to the sale in 1919 of a portion of the said S.No. measuring 4 acres at Rs 500 per acre reports that the khatedar (petitioner) demands Rs.1500/- per acre. His two witnesses have stated that they are prepared to take up the land at Rs 1000 per acre. The khatedar however agrees to part with the land at Rs 1000 an acre.

The Sub Division Officer who inspected the lands in company with the Amildar and some other ryots on 30th March 1930 states that the land is worth Rs 500 per acre. The Mahazardars had previously valued it at Rs 100 per acre i,e, prior to the sending up of the preliminary notification in 1929. The Sub Division Officer further reports that in case his valuation is deemed proper the amount required for the

acquisition together with the statutory allowances may be got from the Veterinary Department and further steps taken to acquire the land. Even if the valuation fixed by the Sub Division Officer is to be accepted Rs 575 will have to be allotted as compensation for the acquisition and it is likely that the khatedar will contest even this grant.

Under the circumstances I request you to kindly furnish your opinion as to whether the land in question should be acquired irrespective of its high value and if so to arrange for placing the necessary amount at the disposal of the Land Acquisition Officer. On hearing from you further steps will be taken to acquire the land.

I have the honor to be,

Your most obedient servant,
